Microsoft Access

If there is enough interest we have the opportunity to run this database workshop. Please register your interest.

BINGO

Our first Bingo session was a great success with our Host, Jim Epiro and our Hostess, Robyn Fowler keeping the proceedings running smoothly. Chocolate prizes were liberally awarded in the first round to anyone who had a "line" and looked like they would run out before the afternoon finished. Rules were modified and chocolates only awarded to 1 nominated line and Bingo winners. Fish and Chips from BP were enjoyed for lunch and then it was back for some more games.

FATHERS DAY

Personalised Coffee Mugs , Stubby Holders or mouse mats can be made at the Resource Centre featuring your photos and text.

Recycle Mobile Phones and Prescription Glasses

A reminder that mobile phones & accessories and prescription glasses and cases can be left at the Resource Centre for recycling
