

Williams Football Club Notes – Round 5 v Boddington

The Western Derby was held this week with two very good wins in the seniors and not so much luck in the juniors.

D Grade

The D Grade boys again seemed to be a bit smaller than their Boddington counter parts, but they all got a good game with about 50 kids on the field in the last qtr to make sure everyone got a good run.

B Grade

The B Grade game was a bit of a walk over with Boddington being undermanned and thankfully able to muster a side for a game to be played. Although this takes nothing away from the boys who did play well and shared the ball around will.

A Grade

The League game was expected to be a cracker and it was for the first half with the Cats holding a 2 goal lead at half time. Mark Gilhome has continued his great form and Pricey continues to lead by example. Both would certainly be fighting it out for Association honors at this stage of the year. Again a great third quarter has set up a win with the final margin being a comfortable 11 goals.
