

Williams Netball Club

Saturday 18th June

A1 Bye

A2 Williams def Flames

A3 Grey Williams def Olympics

The team started off very slowly with a lot of unforced errors. After a quarter time regroup a different team took the court. The basics of netball were put back into play and the team were fantastic. They outplayed their opposition in all positions and easily won the game. A highlight to the last three quarters was the passing down the court and the overall team play - well done ladies! A big thank you to Chris for playing an awesome game in defense with Laura also playing her first game for the team!

A3 Pink Williams def Olympics

After a slow start, Gem ran strong in the centre with Anne and Rocket (Karen) combining well in goals. Playing another great game in defense, Bri and her new defense partner Deb playing very well kept the side in the game. Kim and Estelle played their role at the wings and the team was able to finish strongly with a win.

Wednesday 22nd June

A3 Grey Olympics def Williams

Lets just say - mid week netball didn't

A3 Pink Olympics def Williams

suit our girls!

Only one measly goal in the dying minutes of the game cost the girls a draw against an in form Olympics side!

Saturday 25th June

A1 Williams (64) def Olympics (37)

The top of the table clash was a highlight of an umpiring accreditation day! A great strong game by all 7 Williams girls! Missing our two WA's due to illness the girls played an outstanding team game. An awesome display in goals by Brooke set off such a great team win!

A2 Waves def Williams

In another top of the table clash, Williams sadly came out of this clash not as the winners on the scoreboard. It was a high class game and all the girls can be proud of their efforts. Waves are the benchmark of the A2 and it is great to be able to see where you need to work on to remain competitive for the big game at the end of the season!

A3 Grey Williams def Flames

Talk about leaving it to the last quarter! The team played out a hard fought win with each quarter time break being less than 2 goals to end up winning by 7 goals! Again thanks to Chris for filling in! Trin Ford played an awesome game in defense giving many opportunities to the attack.

A3 Pink Williams def Wickepin

Another great team game all round saw Williams with a comfortable win over Wickepin. An early scare in the first quarter with Gem hurting her ankle - glad to see her back on court to finish out the game.

Saturday 2nd July

A1 Williams def Olympics Opals

Missing our gun GS for the week, the team played a great game all round with many change up in positions. On court defense was a highlight of the game - leading to many turnovers that the fill in shooters could convert! What a find - Jess can shoot!!!! Another great team game girls - it is really great netball to watch and be a part of!

A2 Williams def Flames

Welcome back to club stalwart Kelly Ford! Another great game and good win from this young side (yes that is you too Kell and Mel!). Courtney was on fire and could barely miss a goal! Didi playing well in defense too! Great to see this team with a sub on the bench finally...what will you do when all 9 of you are together???

A3 Williams def NRC

After another tight game with a solid win for this team - I think they surprise themselves each week! Great game from Brooke Duff, filling in at goals along with new recruit Rochelle. Strong defense from Trin again with good running in the centre from Wendy.

A3 NRC def Williams

Another top of the table clash with the young Hostel side just too strong across the board. Thanks to hockey fill ins Kristy, Alana and Di - you were all awesome in defense.
